Note: -

- In case of insufficient agencies in the specified category for the purpose of shortlisting/selecting an agency for any project, agencies enlisted one category higher in order will be taken into consideration in continuity to the agencies already empanelled in the particular category

- The selected Architectural Agency shall establish a local office in the city where the project is awarded, with minimum of one Engineer and one Architect. They shall be available and functioning so as to coordinate and assist project activity uninterruptedly.
- During the execution of the project, any query/discrepancy/clarification sought/brought to notice, must be responded to in 3 days time span in order to maintain progress of the project.
- Mere empanelment does not extend any surety of awarding any project by MVDA or any other Department, whatsoever.
- Any discrepancy found in the details furnished in the BID will result in cancelation of Empanelment.
